Dear Michael

Thank you so much for your generous donation of £163.43 which we received from you recently. Please pass our sincere thanks along to all involved at Our Lady's Convent High School. We really appreciate your support of our nursery project in Lobur. You will make a real difference in the lives of the Turkana.

We have 14 nurseries in the Lobur programme and our nursery projects focus on providing children between the ages of 2-6 as well as mothers with breakfast and lunch and providing a basic education. This, combined with monthly medical check-ups, helps to improve people's overall health related to malnutrition. This is an important first step in their education and we hope it encourages more children to go to primary school.

You can find out more about our work at www.newways.org.uk and I look forward to seeing you in person at some point in the future.

Thanks so much for your kind and generous support - we are very grateful. Please do let me know if you have any questions on our work.

With very best wishes

Angela Docherty
