

26th February 2019

Dear Parent(s)/Carer(s),

**Re: GCSE Science Intervention**

As you are aware there are roughly 11 weeks until the beginning of the 2019 GCSE exams. In light of this we, as a science department, are looking to create opportunities to support your daughter at this critical time. Therefore we are recommending that your daughter, along with the rest of her year group, attends 3 after school science intervention sessions on the following dates:

Date	Time	Focus
Tuesday 5th March 2019	3.15-4.30 pm	Exam technique for Paper 2- Biology
Tuesday 19th March 2019	3.15-4.30 pm	Exam technique for Paper 2- Chemistry
Tuesday 2nd April 2019	3.15-4.30 pm	Exam technique for Paper 2- Physics

In order to be fully prepared your daughter will need to complete a past paper before each of these sessions. These papers will be distributed during science lessons. It would be greatly appreciated if you could encourage your daughter to complete these papers to the best of her ability.

Thank you for your continued support.

Yours sincerely,

Priyanka Ray  
**Key stage 4 Co-ordinator**
