

Dear Parent(s)/Carer(s),

2nd February 2018

Year 9 Information Evening – Thursday, 22nd February 2018

I would like to invite all the parents of Year 9 students to the Year 9 Information Evening which will take place on Thursday 22nd February, from 5.30-6.30pm.

The purpose of the evening will be to discuss the Key Stage 4 Options process which takes place in Year 9. This is an important event that aims to equip parents with a good understanding of the Key Stage 4 Options process. This in turn will allow parents to help their daughters choose the most appropriate options for their future.

During this evening we will explain the options process; the guidance being given to students in school; and how recent government education policy has impacted on the Options process. Please be aware that this information evening is intended for parents only – there is no need for your daughter to attend.

There will also be an opportunity to ask questions that you may have concerning which subjects your daughter can or cannot take in Year 10.

You will be provided with a booklet for you to take away and read which will give you information about everything we cover at this event. Please note that at this event there will not be any subject teachers available for you to speak with; you will have that opportunity at a later event known as "Options Evening".

Options Evening will take place on **Thursday 8th March 2018**. This is the event where subject teachers are available for you to speak with and when you and your daughter will make your final choices. **Please make a note in your diary to attend this very important event.**

Please confirm attendance at the Year 9 Information Evening event by completing the form below and returning it to Reception.

Yours sincerely,

Declan Tierney
