

The facilities at Our Lady's High School are available to hire during the evenings, weekends and school holidays. We work with School Space, a local social enterprise, to facilitate our lettings.

We have some great facilities, including those for sports such as a large sports hall, main hall, dance studio and drama studio to suit lots of different sports and activities. There are also a number of different rooms, halls and classrooms that will suit a huge variety of events.

To view all of the spaces available for hire and find information on pricing, please visit:
