

OUR LADY'S SCHOOL PRAYER

Our Almighty and Most High God,
We turn to You in this prayer.

Lord, we come to ask You for forgiveness.

You know that we are imperfect,

You know that we often do things that lead us away from You,
You know that we can be weak when temptation comes our way,
We ask that you give us the gift of Your Grace and Compassion,
so that we can be strong when we might be weak.

Lord, thank you for the gift of today and the school You have given us.

Let us recognise the beauty of the many languages and cultures
You have brought together in the worship of You,

Let us stand together, as one community,

united through Your precious gift of love for one another,

Let us recognise and overcome words and actions that might divide us
and cause harm to those in our community,

We ask that you give us the patience and wisdom
to treat all that You have created with love and respect.

Lord, we ask you to nurture our faith and deepen our love for You.

We call upon your gift of peace to guide us on our journey through our
school,

We call upon your gift of wisdom to help us choose the right path in all that
we do,

We call upon your gift of forgiveness to allow us to forgive,
and be forgiven, when harm is done to us and others,

We ask that you bless us further in our faith
so that we may never be parted from your presence in our lives.

We ask all this in the Name of Our Blessed Lord,
Amen.
