10th November 2021

Dear Parent/Carer,

**Sixth Form Open Evening – Thursday 18th November 3.30pm-4.45pm**

I would like to invite you and your daughter to our 6th Form Open Evening on Thursday 18th November from 3.30pm until 5.00pm. This will be a great opportunity for you and your daughter to speak to teachers about the content of study across different courses on offer and find out about the entry requirements necessary to study each course.

Year 11 students will be off timetable on the afternoon of Thursday 18th November as we have arranged for a motivational speaker to give a talk to help prepare them for their mock examinations and the rest of Year 11.

At 2.45pm, Mr Bailey, the Head of Sixth Form, along with a number of current 6th Form Students, will give a talk on post-16 options and what course might be best for your daughter. After the talk, refreshments will be available for students, and then from 3.30pm they will be able to talk to Heads of Department and Subject Leaders, along with specialist careers advisors and representatives from universities. Parents are able to join their daughters for this part of the evening.

The evening will end for current Year 11 students of Our Lady's at 5pm, but we will be inviting students from other schools to join us from 5:15pm, so if you know of any relatives or friends who are interested in joining the Sixth Form, please let them know to come at this time.

Our Lady's has an excellent track record of supporting our students to get into some of the world's best universities. In 2021, all students who applied for university places were successful. Twenty-five percent of our students, (three times the national average), secured places in the prestigious Russell Group universities and many more secured places at other top universities. Our students' grades are in the top 1% of schools in the country for progress.

We hope that your daughter will continue her studies with us through to Year 13.

Please complete the reply slip below and return to your daughter's form tutor by Friday, 12th November 2021.

Thank you for your continued support.
