16th October 2018

Dear Parent(s) / Guardian(s),

The Year 12 and 13 CORE RE Christmas 'Community Service' project is now in its **ELEVENTH** year and continues to be a significant way for all members of the school to come together and support people in the local community by putting our faith into action. Each year we forge new relationships with some of the most vulnerable and isolated members of our community.

We will be involved in the preparation and delivery of food hampers for the elderly/needily in our community at Christmas. We plan to involve the whole school community; students, parents, teaching and non-teaching staff in assisting us with our preparations. However **your** contributions are needed as your support is vital for the success of the project.

Every student is requested to try to bring in **four items** of **non-perishable food** - please see **reverse for a list of items**. Collections will take place daily during the month of November.

It is really important that items are brought in on time as we plan to assemble, package and deliver the hampers early in December. Our 6th Form Prefects will be visiting all Forms to remind students about the collection and will also be calling on the Young Servite Leaders to assist them. The deadline for donations is Thursday 29th November.

If you know an elderly person/couple or an organisation, in the school's vicinity, whom you think would benefit from this project, please complete the nomination form below and return it to the RE department as soon as possible. **This will allow us to contact those who have been nominated and to make further arrangements in time for Christmas.**

Many thanks in advance,
We look forward to your contributions and support,

Ms. M. Price
Head of RE
